

# Scouts/Explorers St Georges Weekend Itinerary

Note: The focus of the camp is having fun with family at home and joining in with Beavers, Cubs, Scouts and Explorers from the South Leicestershire District, whilst learning about St George. There are lots of activities you can join in with; please don't feel pressured to do everything. These are suggestions. Doing these activities or something similar will go towards badgework so don't forget to send photos to your leaders of the things you do. Join in with as much or as little as you like. Nothing needs to be perfect; it's about having a go and having fun!

All Virtual / At Home activities to be performed under the supervision and responsibility of parents.

All of the resources for the event can be found at <https://southleics-scouts.org.uk/st-georges-day-2021/>
